

SCHOOL BANKING

CommonwealthBank

Starting back in
Term 1 Week 3,
School Banking is
every Wednesday.

Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of three ways:

1. Online

Visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account.

2. Netbank for existing CBA Customers

Log on to your CommBank app if you already bank with CommBank. Select Products and offers from the main menu then Bank accounts. Tap Student and youth accounts and scroll down to Kids to open the account

3. In branch

Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit **in every week on School Banking day** using their Dollarmites deposit wallet.
