

WE NEED YOU!

COOMERA RIVERS VOLUNTEERS

Studies show that parental involvement in a child's education is one of the most important factors in raising student self esteem and academic achievement.

Volunteers are an amazing asset to Coomera Rivers State School. As a volunteer, you can add to the school dynamic in the classrooms or around the grounds or at one of our P&C events. The opportunities to contribute are endless! We realise that each of our families are unique with its own priorities, needs, talents and time constraints. Therefore we try to provide as many different kinds of opportunities for volunteer involvement as possible.

VOLUNTEERING RESULTS IN:

- A greater understanding by parents and the community of their children's school
- A greater understanding by teachers of the children and their needs
- Better communication between home and school
- Fewer crises and misunderstandings
- Higher student moral and confidence
- More good will and mutual esteem between parents, members of the wider community and school staff.
